

Social Media & PR Department SOP (CRM-Based Event Workflow)

The Social Media & PR team operates through a **centralized CRM system**, where every task is structured around **event-based execution**. This department is responsible for **messaging, approvals, publishing, and distribution** of all content.

1. Event Handling in CRM

Each event created in the CRM will be assigned to the Social Media & PR team alongside the Creative Lab.

Each Event Entry Includes:

- Event Name & Date
- Event Type (Press Event / Field Visit / Festival / Announcement)
- Linked Creative Assets (images/videos from Creative Lab)
- Assigned PR Owner

2. Core Responsibilities

A. Caption & Content Writing

The team must prepare platform-specific captions:

- **Twitter (X):**
 - Concise, sharp, and impactful
 - Politically aligned and factually accurate
- **Instagram:**
 - Slightly descriptive and engaging
 - Complements visual storytelling
- **Facebook:**
 - More detailed and informative
 - Structured for readability
- Prepare image sets as per platform requirements:
 - **Instagram / Facebook:** 10 images preferred (minimum 6 mandatory)
 - **Twitter (X):** 4 images selected from the Instagram set

B. Political & Contextual Accuracy

- Ensure all content aligns with:
 - Current political narrative
 - Departmental messaging
 - Public sentiment
- Cross-check facts beyond press notes if required

C. Coordination with Creative Lab

- Review final creatives and image sets received
- Ensure:
 - Correct number of images per platform
 - Proper sequencing (especially Instagram)
 - Alignment between visuals and captions

3. CRM Workflow Stages (Social Media & PR)

Each event will follow these stages:

1. **Caption Drafting**
2. **Internal Review (PR QA)**
3. **Ready for Approval (Caption + Creatives Aligned)**
4. **Sent for Approval**
5. **Approved**
6. **Posted**
7. **Verified**

4. Internal QA (Mandatory Before Approval)

Before sending content for approval, the PR team must verify:

- Grammar and language accuracy (Hindi/English)
- Political correctness and tone
- Proper tagging (leaders, ministries, departments)
- Caption-platform alignment
- Final image/video set is correct

5. Client Approval Process

- All content must be sent to **Akhilesh Ji (Final Approval Authority)**
- This includes:
 - Captions (Twitter, Instagram, Facebook)
 - Final image sets
 - Videos/reels
- No content should be published without **explicit approval**

CRM Status Update:

Ready for Approval → Sent for Approval → Approved

6. Publishing Protocol

Once approved:

- Publish content across platforms **without delay**
- Follow platform-specific structure:

Twitter (X)

- Exactly **4 images**
- Crisp caption with proper tagging

Instagram

- **10 images preferred, minimum 6 mandatory**
- Strong first image (cover)

Facebook

- Same image set as Instagram
- Slightly more detailed caption

7. Retweeting & Amplification

- All relevant posts from **Prime Minister Narendra Modi** must be:
 - **Promptly retweeted**
 - Timed appropriately for maximum visibility
- Ensure alignment with current narratives and campaigns

8. Post-Publishing Verification

After publishing:

- Cross-check:
 - Caption accuracy
 - Image/video correctness
 - Tags and formatting
- Update CRM status to **Verified**

9. Timeline & Delay Management

Each event must follow strict timelines:

- **Caption Drafting:** Within a short defined window after receiving creatives
- **Approval Turnaround:** Immediate follow-up
- **Posting:** As soon as approval is received

In case of delays:

- Mark status in CRM
- Inform relevant stakeholders
- Escalate if required

10. Final Responsibility

The Social Media & PR team is accountable for:

- Accurate messaging
- Timely approvals
- Error-free publishing
- Proper distribution and amplification
